**Candidate for 10<sup>th</sup> Congressional District GOP Chairman**

## Campaign Update

**This Saturday, March 27<sup>th</sup>, both Fairfax County and Prince William County will hold their respective County conventions.**

Chairman Anthony Bedell in Fairfax and Chairman Lyle Beefelt in Prince William are running unopposed for re-election and we congratulate both of them for their contributions to our Party - and look forward to working with them in the future!

In addition to other business, the delegates that have filed to attend the 10<sup>th</sup> Congressional District on May 22<sup>nd</sup> in Warrenton, VA. - where they will vote for the new 10<sup>th</sup> District Chairman - will also be certified at these County conventions. Both Prince William and Fairfax closed their registration of delegates on **March 13<sup>th</sup>**.

I'm am honored and overwhelmed with gratitude as it is apparent that my campaign to become your next GOP Chairman in the 10<sup>th</sup> picked up significant speed with the delegate filings in both Counties, to continue the overwhelming support we enjoyed in Loudoun and Clarke Counties earlier.

To our supporters in Prince William and Fairfax, I can only say *thank you, thank you*.

Like you, I am disheartened and sad at the turn of events in Washington and the passage of the so-called Healthcare Reform package. *But, just for a few days*. What it really does to me is make me more convinced and determined than ever that we must fight for our Constitutional Republic and our traditional values in every precinct, in every city and county, and in every congressional district in the Commonwealth, and across the nation. We must employ every energy and every available resource to rescue the nation from a threat that was constructed in the locked conference rooms in our own beloved Capitol Building, away from the examination of the citizens and immune to their voices of

protest. Shame on the politicians who would defame and ignore the free men and women who give them temporary, probated power through the Constitution, not arbitrary power without recourse.

**I'm more determined than ever that every Democrat in every office in the 10<sup>th</sup> District should not have a good night's sleep for the next two years! Because we won't sleep until the 10<sup>th</sup> District is **solid red!****

**We are honored to welcome the endorsement of our Loudoun County supervisor, Eugene Delgaudio.**

**We also welcome the endorsements of Chuck and Linda McAndrew from Fairfax County.**
